Meeting Decisions

Special Collections

- CDL will explore giving DPLA metadata from OAC and possibly a relationship with NAAC.
- Farley and Smith will look at overlaps in lifecycle services—what serves other types of content and what is special for special collections.

Space Planning

- Develop a charge/scope of work and whether to analyze in-house or via a consultant.

UC Open Access Topics: Mellon Study

- MacKenzie Smith and Laine Farley will work on seeking out a planning grant.

UC Open Access Topics: SHARE Proposal

Actions:

- ULs to send individual campus responses. No collective response.
- UC big strategy will be an item for our next call.

Shared Chinese cataloger

- CoUL reviewed and accepted part of the report.
- In the short term, the SCP Chinese cataloger position should be funded using campus shares with the goal of integrating it into the SCP/Resource Sharing budget.
- Referring the question of shared employees to HR group. Instruct HR group to consult with appropriate AUL experts as necessary.

CDC Digitization Task Force Report

- Elizabeth Cowell will report to Digitization Targets Task Force that CoUL endorses putting this back in the advisory structure for clarification of funding and focus.
