<td>When sharing documents with SAG3 for discussion, plan on 3 day lead time (no later than the end of day Friday before the discussion). Documents which need further vetting and campus feedback will need longer time; for those plans on 10 days lead time. These documents should be uploaded to the agenda page and linked to the topic. Members are encouraged to email the SAG3 list when proposing discussion topics or uploading documents, since not all members have the wiki notifications turn on. Leslie and Diane will continue to send updates and reminders several days before each meeting.</td>
