Notes:

1. Introductions
2. Note taking:
   - the note taker role will rotate alphabetically by campus
   - conveners are skipped
   - it was suggested to have a ‘notes’ template
   - Adrian Petrisor will create a template for meeting notes
   - Michele Mizejewski will send instructions on how to assign actions to group members through the wiki interface. Michele added a reference page to this wiki.
3. Conference call ground rules:
   - ground rules are now posted on top of ‘Meeting Agendas & Notes’ page
   - on the issue of quorum needed or not for making decisions, it agreed to use our best judgement and proceed on a case-by-case basis
   - Adrian Petrisor to add the rules suggested by fellow members
4. Review of SAG 2 charge:
   - the group concluded that the charge is clear and doesn't need changes at this time
   - we plan to review and if necessary to ask for changes to the charge periodically
   - Pending: Once the Coordinating Committee is formed, SAG 2 representative on the Coordinating Committee will ask clarification on decision boundaries for our SAG when funding is required
5. Nomination & selection process for SAG2 Chair and Coordinating Committee member:
   - Adrian clarified the differences between the roles of Chair and Coordinating Committee member
6. Conference call length and frequency: 90 min calls, every other week
7. Parking lot - N/A
8. Future agenda items:
   - Discuss and prioritize UCL Advisory Structure Services and Projects - Master List
   - Coordination with the other SAGs when same areas are assigned to multiple SAGs
