<sup>1</sup> Corrected value for Volumes in Library, 30 June 2000

<sup>2</sup> "Volumes Added" includes 6,682 Government Documents in the general volume count; Serials includes all cataloged electronic journals. Owing to a cataloging policy change in 2000-01, UCI Libraries recataloged some monographic series as monographs.

<sup>3</sup> Corrected value for Serials Received Currently, 30 June 2000

<sup>4</sup> 196,221 volumes representing "Government documents not counted elsewhere" are now counted as part of "Volumes." "Serials Received Currently" includes 3,256 general ejournals and 670 health ejournals acquired locally, and not previously reported.

<sup>5</sup> California Digital Library materials are shared by all campuses. Some titles reported by the CDL may also have been separately reported by campuses.

<sup>1</sup> The UC Northern and Southern Regional Library Facilities are reported as separate lending locations for the first time in 2000-01 (Regional Library Facilities do not borrow material). Loans to UC campuses and all other borrowers are counted by each of the RLFs; because these data include transactions that were not previously counted as interlibrary loans, the reported RLF transactions are not included in the totals in the "Returnable Items Lent" section of the upper table above. Each UC campus also reported on the number of items borrowed from each of the RLFs. In previous years these transactions would have been considered interlibrary loans and attributed to the campus that deposited the requested material in the RLF. Therefore, they are treated in this report as items borrowed from other UC libraries, and included in totals for "Returnable Items Borrowed" in the upper table, and included in the lower table.

<sup>2</sup> University of California intercampus transactions shown as reported by borrower.

<sup>1</sup> The UC Northern and Southern Regional Library Facilities are reported as separate lending locations for the first time in 2000-01 (Regional Library Facilities do not borrow material). Loans to UC campuses and all other borrowers are counted by each of the RLFs; because these data include transactions that were not previously counted as interlibrary loans, the reported RLF transactions are not included in the totals in the "Nonreturnable Photocopies Supplied" section of the upper table above. Each UC campus also reported the number of items borrowed from each of the RLFs. In previous years these transactions would have been considered interlibrary loans and attributed to the campus that deposited the requested material in the RLF. Therefore, they are treated in this report as items borrowed from other UC libraries, and included in totals for "Nonreturnable Photocopies Received" in the upper table, and included in the lower table.

<sup>2</sup> University of California intercampus transactions shown as reported by borrower.
