Meeting Decisions

- CoUL will ask the Coordinating Committee to publish an Executive Summary of the “Shared ILS/RMS Feasibility Task Force Report.”
- The Coordinating Committee will be charged with establishing a task force to develop detailed use cases for a potential shared ILS, in part to figure out scope of experiments for a potential RFI/RFP process in the future.
- CoUL is deliberating further actions regarding Shared ILS/RMS.
- CoUL endorsed the UC Shared Print Strategy and Operations Teams’ “Print Journal Archiving Campaign and De-Duplication Service Proposal”
