1. Announcements (All)
 - a. UCB, UCD, UCI, UCM, UCR, UCSB, UCSF – no announcements
 - b. UCLA – reminder that in October they announced their new continuing resources metadata Librarian Paromita Biswas.
 - c. UCSD – held two on-site interviews for a Metadata Librarian for Research Data position. Mary Wickline, their academic liaison to Nursing and Allied Health, passed away after a long illness. They are currently recruiting for her position

2. SCP Update (Shi/Becky)
 - a. SCP closes for the holiday after Friday 12/21. Today, Dec. 17, 2018, was last weekly file. Next file will be sent on Monday, Jan. 7, 2019
 - b. OCLC is interested in knowing what we would like OCLC to do and what kinds of open access material we are working on/interested in. Becky and UCSD librarians have filled out an OCLC survey
 - i. Becky—would like people to fill out the survey if interested
 - ii. At ALAmw, MAR meeting (new MARBI) there will be discussion of how to code open access materials
 - iii. **ACTION: BECKY** will send the survey to this group. Due Jan 15
 - iv. **ACTION: BECKY** will report on the discussions about coding open access materials after ALA Midwinter
 - c. ALAmw attendance from SCPAC: Becky and Shi, Sarah W., UCLA's new librarian, Paromita Biswas

3. 2019- access to the MLA International Bibliography via EBSCO (Discoverable only through EDS? How is SCP handling the switch from ProQuest? Pid change only? (Shi/Becky/Kevin)
 - a. MLA signed deal with EBSCO so that the International Bibliography is only available through EDS
 - b. Kevin wants to make sure the resource itself discoverable through catalog
 - c. The change is effective of January 1, 2019
 - d. CDL put out an email a couple of months ago about MLA and an open letter they signed on about this decision

- e. Ex Libris is aware of it and working on alternative coverage
 - f. PRIMO will have content until March. In Summon until early November
 - g. MLA's letter to customers about the change (thanks to Trina):
<https://www.mla.org/Publications/MLA-International-Bibliography/About-the-MLA-International-Bibliography/Letter-to-MLA-Bibliography-Customers>
 - h. **ACTION: SHI** will send a question to Holly at CDL for an update
 - i. The CDL license team is very busy with renewals right now. This is on their list, but no update
4. Status notification for SCP Cataloging request: Since there is no way to automate a notification for completion of request for cataloging, could we possibly forward this information to the CKGs from SCP AC? (All)
<https://www.cdlib.org/services/collections/SCP/>
- a. It is not feasible for Becky to alert people every time a cataloging request is completed
 - b. Becky maintains the status on the online spreadsheet available from the SCP home page : (and here)
<https://docs.google.com/spreadsheets/d/172aNYzDftSz631CpkcVHxmWMoQ0fdGcA3rzqnPfnXvc/edit#gid=1207189276>
 - c. It will be adequate to keep the spreadsheet updated and refer people to the spreadsheet. The spreadsheet's existence needs to be advertised
 - i. **ACTION: SHI AND BECKY** will work on this. Shi will include this information on monthly updates and add link to the helpful links page for people to refer to
 - d. Russian resources from an SCP/UCLA collaboration are in today's SCP file. Becky worked with Peter and a student on this
 - i. UCLA student pulled up records for print of the Russian resources. Then Becky cloned online records from these records.
 - ii. **ACTION: KEVIN** will do short write up of the resources and Shi can include in the SCP monthly update for January.
5. Resume discussion of the single vs. separate record approach. Survey results link is here:
<https://docs.google.com/document/d/1y0Iw-bl9EfSFtHy9CND6r5U855gqVN0oHZXgvRuGQPI/edit?usp=sharing>
- a. Will there be any ramifications for any campuses?
 - b. **ACTION: ALL:** make sure this works with your local processing
 - c. **ACTION: ALL:** Let public services staff know of the SCP change. Change will happen soon after the new year. Report any concerns to SCP
 - d. Changing existing records to separate record approach: Will be as titles come up for editing for a while
 - i. Becky makes sure the print and online record match in main points
 - ii. No conversion of existing records now. Maybe after SILS project
 - iii. Alma folks – will this help or hinder?

6. Shi gave an update on the Primo VE call among UC Alma campuses
 - a. The campuses and CDL decided to try to work together in dealing with Ex libris
 - b. UCSC is working with Ex Libris to develop a solution to problems
 - c. One problem with SCP records for at least one campus – if multiple links are in the record, only the 1st link shows to the public

7. **ACTION:** Elaine will post meetings from last meeting

8. Next meeting is on a holiday
 - a. **ACTION:** Elaine will send out a doodle poll
