

UC Electronic Resources Management Planning Meeting
Campus/CDL Survey
Electronic Resources Management at ____ (campus name)_____

Please complete the following questions as thoroughly as possible. We especially encourage you to solicit opinions from staff who will be unable to attend the Planning Meeting on March 11-12. We assume that the survey response will represent the consensus view from your campus, so if there are differences of opinion within your campus, please note accordingly.

Submit the survey via return e-mail (stefw@ucr.edu) or fax (909/787-3720) to Stefanie Wittenbach, Chair, Program Planning Committee **no later than Wednesday, March 3rd**. Survey data will be compiled and distributed for discussion at the Planning Meeting on March 11th. Thank you!

1. Who is involved in an official capacity with electronic resources? Please list job titles and reporting structure for the position (e.g., electronic resources librarian in the Cataloging Department).
2. What tools, software or systems are you currently using to manage electronic resources decision-making, acquisitions, licensing, cataloging, maintenance, and access issues? (e.g., keeping track of license details, print subs. associated with the package, statistics, providing patrons with an e-journals directory, etc.)
3. What aspects of any tools, software, or systems that you currently use to manage electronic resources work well or sufficiently? What if anything would you recommend to others?
4. What isn't working? What parts of electronic resources management are not well covered by your current system? Where are your greatest points of pain?
5. What are your campus' greatest needs in terms of electronic resources management and related systems?
6. What are your immediate, mid-and long range top priorities for electronic resources management and related systems?
7. What are your campus' current plans for addressing your campus' top priorities and needs?
8. Are you considering purchasing systems or products for electronic resources management?
9. What are your campus' greatest needs with regard to shared/system-wide electronic resources management?
10. In your opinion, what are the greatest barriers to implementing a UC-wide ERM system?
11. Anything else you'd like to share?
