

# UCLAS Summary of Activities (updated January 30, 2014)

## CoUL Priorities

SAG	CoUL Focus 13/14 <a href="#">(UC Libraries Systemwide Plan &amp; Priorities FY 2014-2017 [PDF])</a>	Status
3	Explore the possibility of a strong, single federal depository library collection for the UC system.	in progress
2	Implement a systemwide technical and organizational infrastructure for digital collections via the UC Libraries Digital Collection project.	in progress
2	Develop a policy regarding sharing of UC metadata.	in progress
5 campuses & CDL	Implement Aeon as a tier 2 project to streamline discovery, access to, and management of special collections across the campuses.	Kickoff meeting scheduled February 2014
2	Advance single sign-on for members of the UC community (e.g., for improved access to e-resources).	in progress
3	Reduce unnecessary duplication among the UC library collections by decreasing, as appropriate, overlap in library materials in all formats, de-duplicating the holdings of the RLFs, and exploring other strategies for rationalizing UC's collective library collections.	in progress
1 & CDL	Prepare the infrastructure to support an Open Access Policy once one is adopted systemwide or campus by campus. - Develop the eScholarship functionality to support the policy.	in progress
CoUL & ASAG	Engage LAUC in a discussion about the evolving library workforce.	in progress

# SAG Projects Teams/Initiatives

SAG	Project Teams/Initiatives
SAG1 - Strategic Action Group 1: Scholarly Research & Communication	
	Supporting OA policy activities
	Campus eResearch survey conducted
	Explore a team focused on coordinating use of the DMPTool on campuses
	Forming a SAG1/CLS group to investigate OA models within the UC context.
	OA: Knowledge Unlatched pilot (with CLS)
SAG2 - Strategic Action Group 2: Access, Discovery & Infrastructure	
	Shibboleth investigation by SAG2 subgroup
	CIG Digital Reference move to Operations Team
	UC Library Digital Collection (UCLDC) project team
	Shared Metadata Policy Task Group
SAG3 - Strategic Action Group 3: Collection Building & Management	
	Shared ILS Project Team
