Updates from SILS Operations Groups

Resource Management
- Met with Gem and Alison (along with TJ, Liz, and Ryan) to test out WCU "New" and "Merges" files in the sandbox. Seemed to go really well.
- Have been drafting campus ETD procedures to document local practices. Still discussing feedback and changes, plus opportunities for harmonization
- CJK reindexing seems to be going well after initial issues. NZ goes on 8/25, after which ExL tells us "combined search" issues should be resolved

Acquisitions/E-Resources

Tamara Pilko UCSC has returned from medical leave and taken over as ERES Chair, Jharina Pascual UCI as vice-chair. A revised Steering Committee has been formed with Sherry Lochhaas CDL and both chairs. ERES will now meet biweekly as a whole with every other week open for any e-resource troubleshooting a campus might be having.

Ethical & Inclusive Metadata Practices in UC Library Search
Is there interest in seeing a report on analysis of the survey on UC DEIA metadata policies, practices, etc.?

We have drafty pages for

- UC Reparative and Inclusive Cataloging and Metadata Projects
- UC Policies on Harmful Language/DEIA Cataloging Practices
- Glossary of Non-LC Controlled Vocabularies Used by Various UC Campuses
- Tools Used When Incorporating Non-English Metadata
- Resources & Training Materials for DEIA Cataloging

Added deliverable - template, recommendations for harmful language statements

SCP Operations Updates (Shi and Becky)
- GOBI files reconciliation: the Springer 2022 list received from the vendor, reconciliation is in process.
- Listserv:
  - After Jayne Dickson retired, CDL has asked to change the Administrator for the Listserv of SCP-AC
  - Meanwhile, I would like to know about SCPSYS-L@LISTSERV.UCOP.EDU which is the list of SCP system liaisons. Do we need to continue the list? If yes, for what?
    - Feedback by next SCP meeting would be good
    - https://cdlib.org/services/collections/scp/organization/campus-contacts-related-to-scp-activities/
