

Uniform Fee Schedule for non-UC Systemwide Library Facilities (SLF) Deposits

Effective July 1, 2026

Approved by the Systemwide Library Facilities Board (SLFB) June 29, 2026

Established in 1991, the uniform fees are based on operating expenses and workloads for 1) accessions of new deposits, 2) circulation and document delivery service, and 3) collection maintenance functions. The fee schedule was revised in 2008 to reflect increasing costs for services covered, and again in 2022.

Due to increasing operational costs, SLFB has approved a revision to the non-UC accession/UC exceptional deposit fee. Other fees remain unchanged due to low volume of requests and/or stability in cost of activity.

SLFB will review these fees annually to assess their sustainability.
